# Contents

Vol 23 | No 2 | May 2008

Please note that contributions to the *Australian Journal of Emergency Management* are reviewed. Academic papers (denoted by ) are peer reviewed to appropriate academic standards by independent, qualified experts.

<b>FOREWORD</b>	2
<b>Communiqué</b>	3
A new spirit of cooperation between the Ministerial Council for Police and Emergency Management.	
<b>A new approach to community flood education</b>	4
Neil Dufty argues that community flood education programs be broadened from 'awareness' and 'preparedness' to building community resilience.	
<b>Litigation for failure to warn of natural hazards and community resilience</b>	9
Michael Eburn discusses liability in relation to hazard warnings in the Australian context and examines whether 'blaming, naming and claiming' poses a threat.	
<b>Paramedics' perceptions of risk and willingness to work during disasters</b>	14
Smith, Morgans, Qureshi, Archer and Burkle Jr. report on a study investigating the factors motivating paramedics' willingness to work during disasters.	
<b>An interdisciplinary analytical study on the risk preparedness of Bam</b>	21
Alireza Fallahi reports on a study investigating the current resilience of the city.	
<b>Differentiated adjustment to the 1991 My Pinatubo resettlement program among lowland ethnic groups of the Philippines</b>	31
Jean-Christophe Galliard presents the results of a study on the adjustment of two ethnic groups to the post-disaster resettlement.	
<b>Role of building codes and construction standards in windstorm disaster mitigation</b>	40
David Henderson and John Ginger examine the role of Australia's building code and construction standards in a number of windstorm disaster mitigation situations.	
<b>Legal risks of volunteer firefighters – how real are they?</b>	47
Elsie Loh examines Australian legislation arguing that perception regarding firefighters' protection from liability may not be reality.	
<b>Future challenges for volunteer based emergency services</b>	61
Deb Parkin explores the challenges facing Australia's emergency management volunteer sector and their implications for Emergency Service leaders.	
<b>Community based disaster preparedness: Need for a standardized training module</b>	68
Ajinder Walia examines the issues and challenges in some international examples of community-based disaster management calling for a standardized global training module.	
<b>Book Review</b>	74
<b>Book Launch</b>	76
The launch of the Handbook of Disaster and Emergency Policies and Institutions.
